IBA Community College Naushahro Feroze
Established with the Collaboration of Community Development Program (CDP), Government of Sindh

ANNOUNCES ADMISSIONS in
FOUNDATION COURSE for
Associate Degree (AD) in

* COMPUTER SCIENCE
* ELECTRICAL ENGINEERING
* ELECTRONICS ENGINEERING

It is a three-month foundation course with the purpose to prepare students to compete for the admission in Associate Degree Programs in the above fields after polishing their academic skills.

SALIENT FEATURES OF FOUNDATION COURSE:

- Access to quality education on subsidized fees in a three-month foundation course
- Highly qualified and trained faculty
- A practical vocational program
- Well-equipped science laboratories
- Pick and drop facility for students of surrounding areas
- Availability of hostel facility

Why to Opt for AD Program?

- It offers an opportunity for students to continue their remaining two-year education at Sukkur IBA (only in computer science) and get four-year bachelors degree
- Opportunity for admission in HEC recognized Associate Degree Program
- Degree awarded by Sukkur IBA
- Students can also directly apply in AD Program through aptitude test to be held on December 17, 2016.

Successful candidates of Foundation Course will be offered admissions in the technologies of their own choices.

Subsidized Fee of Rs. 2,000/-
